

# Panther Sentinel Face Lifted

By BETTY LIONEL

Spring is here and with it comes new dresses for the ladies, new suits for the men, and for the Panther Sentinel, A NEW FACE.

Yes, the Panther Sentinel has had its face lifted for the first time since 1946, according to Mr. Henry Cassady, former journalism instructor.

The campus newspaper has undergone three different changes since 1941. The first was when the newspaper was known as the

Battery at which time the pages were 16 inches by 11 inches. From 1942 until 1946 the campus paper was only 11 inches by 8½ inches and there was no advertising. Since 1946 the size of 10½ inches by 13¾ inches has been the same, Mr. Cassady stated.

## Paper Size Changed

This is the first time that the Panther Sentinel has had any changes in its format, except for the size.

The length of the columns has

been increased one and one-fourth inches. The columns are now narrower but are the same width as those in the Salinas Californian, according to Mr. George Abbott, journalism instructor.

The column rules, which are the dividing lines between the columns, have been eliminated as well as almost the entire usage of horizontal rules. The vertical and horizontal rules will be used only where needed for clarity, Mr. Abbott said.

## Column Rules Eliminated

The elimination of rules has been a slow process in newspaper journalism, but the trend appears definite in both daily and weekly newspapers, especially at the collegiate level, according to Mr. Abbott.

These changes are the first of several to come this year and next year in the format of the campus newspaper. Mr. Abbott said other changes will occur as finances permit.

This change also permits the Sentinel to continue using en-

gravings from the Salinas Californian since both papers will be using the same column widths. Since last fall when the Californian changed its column widths, its engravings have been too narrow for the Sentinel, and these differences have caused confusion in the Californian engraving department where engravings for both newspapers are made.

Some of these changes result from information gained at the journalism convention in Fresno, March 1.

## Ulrici Names Cast for Play

By JOYCE SCOTT

The cast for the forthcoming Hartnell college-community playhouse production, "Teahouse of the August Moon," was announced this week by Mr. Hal Ulrici, director.

The production will be presented May 22, 23, and 24 in the Hartnell Little theater.

Members of the cast are: "Sakini," Lloyd Ebel; "Sergeant Gregovich," Tom Tanner; "Colonel Purdy," George Whitney; "Captain Fisby," Max Gobel, and "Captain McClean," Robert Smith.

## Many Women Chosen

Also, "Mr. Oshira," George Brown; "Miss Higa Jiga," Shirley Lim; "Lotus Blossom," Elizabeth Lim.

(Continued on Page 2)

## Aslanian Chosen As Forum Speaker

Mr. Vahe Aslanian of the Hartnell college music department has been invited to speak at an evening forum series at Pasadena city college on April 25.

This spring lecture series, entitled "Contributions of Art and Music to our Culture," is being sponsored by the Armenian arts and education group of Pasadena. The purpose of the four lectures is to study Armenian and American heritages.

Mr. Aslanian will discuss contributions of Armenian music to American culture.

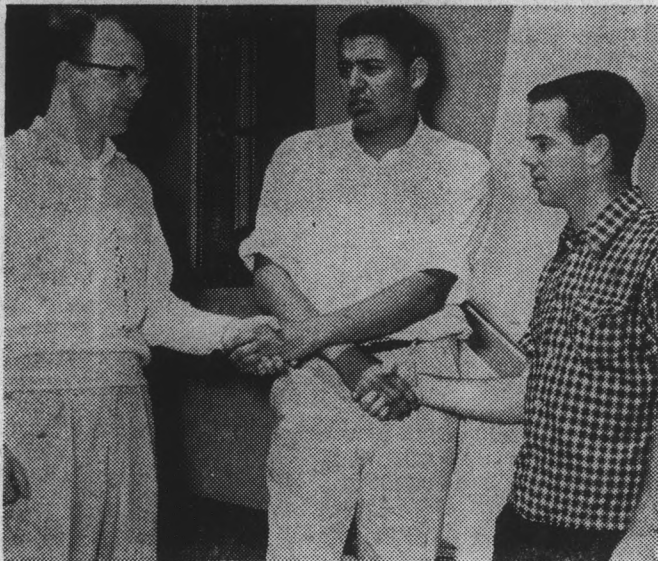

The Hartnell teacher is one of two people in America who has made a study of Armenian music. He made a rather complete survey of the field for his master's thesis.

## Mr. Eris Receiving Leave of Absence

Mr. Louis Eris, instructor of languages and psychology, has taken a leave of absence for an operation.

"I hope to be back in two or three weeks because I am very anxious to get on my job," he stated. "Only I was kind of disappointed to know that the school is getting along fine without me," he added jokingly.

## Presidential Candidates Shake

Bill Throgmorton, left, and Claude Ponting, right, receive best wishes from Alex Zermeno, Hartnell student body president. Throgmorton opposes Ponting in Monday's balloting for 1958-59 student body president.

## Choral Groups Launch Spring Tour As Madrigals Perform

The Hartnell college choral department launched its spring tour with the Madrigal Singers' performance before the state board of nurse examiners convention as Asilomar.

The program consisted of two English numbers, two French numbers and an Italian balletto. Performing solo selections were soprano Judy Masson and baritone Staten Johnston.

This selected choral group includes Gloria Balsley, Nancy Fant, Nancy Longworth, Miss Masson, Joan Oftebro, Ruby Shiotani, Carol Ann Stewart, Donna Ponting, Leo Layugan, Bill Whitney, Claude Ponting, Jerry Kreutzer, Mr. Johnston and Maynard Potter.

The following is the schedule of the choral department's spring tour: April 18, Madrigal Singers, Northern California junior college small ensemble and solo festival at Modesto; April 23, Live Oak high school; April 29, 10:45 a.m., King City high school; 1:55 p.m., Gonzales high school; May 5, college choir, junior college choral festival at San Jose State; May 13, 8:45 a.m. and 9:35 a.m., Watsonville high school, 9:35 a.m.

Tentative dates have been set for the following performances:

May 18, Carmel mission; May 22, Palma high school; May 25, Mission San Juan Bautista. A date has not yet been set for the choral department's annual spring concert.

## Lim Attends World Confab

Sandra Lim, Hartnell sophomore and former Panther Sentinel editor, is attending the three-day 12th annual World Affairs Council of Northern California conference at Asilomar this week end.

Miss Lim received a scholarship to the conference as the result of winning the Salinas World Affairs council annual speech contest. Bill Taylor received the second place prize of \$10.

Seven students from Mr. Robert Lee's speech class participated in the finals. The finalists were chosen from among the 30 students in the class.

## Aptos Inn New Site For Spring Prom; Bid Cost Increased

Because of the need for additional space, the site for the spring prom has been changed from the Brookdale lodge to the Aptos inn, Judie Fry, prom publicity manager, announced this week.

The larger facilities also necessitated an increase in the price of bids to \$7.50 per couple.

Theme for the prom will be "Sakura," a Japanese theme meaning "cherry blossom time."

## Five Delegates Represent ASB

Five student delegates will represent the Hartnell student body in the student government workshop conference at Pasadena May 8, 9 and 10.

With Miss June Handley as faculty advisor accompanying the group headed by Alex Zermeno, student body president, the other delegation members will be Jack Sandy, Paul Cahill, Wayne Handley and the student body president-elect.

Each delegate will attend one of the five workshops which include student government, athletics, college organizations, finance, and publicity and public relations. The finance meeting will be especially for colleges with student body budgets under \$35,000.

The group will leave by chartered Southwest Pacific airlines (Continued on Page 3)

## Members File For Trustee Elections

Dave Wynne and Dr. Bard Daughters have filed for re-election to the Hartnell college board of trustees. The two incumbents were the only candidates for the two openings on the board as the Panther Sentinel went to press.

Wynne has been a board member for several years and is a former president. Dr. Daughters was appointed last fall to fill the unexpired term of T. E. Nelson, Jr., who resigned.

Deadline for filing is 5 p.m. today.

# Election Assembly Scheduled Today

A campaign assembly will be held this morning at 9 o'clock in the Men's gymnasium, according to Dr. Lionel R. Olsen, dean of student personnel.

The students running for ASB offices are Claude

Ponting and Bill Throgmorton, for Associated Student Body president; Jack Sandy and Fred Olin, vice-president; Beatrice Tanda and Jean Mastin, secretary; Norman Robinson and Lotus Zuckswert, commissioner of rallies and assemblies; Carol Moore and Jane Ross, commissioner of social activities; Ethel Boutte, sophomore representative; Ramar Beauchamp, head yell leader; Ed Gunther, commissioner of student store; Jim Stireman, Associated Men Students president, and Barbara Alinio, president of Associated Women Students.

Elections for these commission offices have been set for April 21 and 22. Campaign week started April 10.

## Vets Sponsor Tonight's Hop In Lounge

The Veterans club is sponsoring another dance in the student lounge tonight. The theme of the dance is "Rhythm Rebound."

Because of the success of "A Frolic in Music," a dance sponsored recently by the club, the women will be again admitted free and the men will be charged 50 cents admission if they are not members of the club. Club

(Continued on Page 2)

## Student Receives \$100 Bank Award For Scholarship

Deanna Locatelli was the winner of the Bank of America award in the secretarial division for Hartnell this year.

She was awarded \$100 last night at a dinner in the St. Francis hotel in San Francisco. She will receive a certificate at the graduation exercises in June.

Miss Locatelli was accompanied to San Francisco by Mr. Stuart Dufour, college vice-president, and Mrs. Anne Harper, stenography teacher. There were representatives from 28 junior colleges from northern California at the dinner.

Miss Locatelli was selected by representatives of the business department and the administration on a basis of scholarship and successful participation and leadership in extracurricular activities.

## EDITORIAL

## STUDENT VOTE URGED

Spring is here, and Hartnell students are recovering from the recent bad weather by enjoying the sun. With the advent of spring also come the student body elections—sneaky way to mention them.

Many students do not realize the importance of voting to elect the best officers for the jobs. All the students who are leaving say, "Why should I vote? I won't be here next year."

They don't stop to think that if Hartnell has a good student government and is well known for it, the college will provide students with better references.

The students who will be here next year have to realize that the student body officers will decide all of the extracurricular activities for next year, and it profits the students to have good student body officers to plan these activities.

The elections will take place Monday and Tuesday. The time it takes to vote will not burden students with extra work, so there are no excuses for not voting except just plain laziness and lack of interest. — N. S.

## LITTLE MAN ON CAMPUS BY BIBLER

## Students To Vote For Proposed Amendments In ASB Constitution

The student body will have a chance to vote on the proposed constitutional amendments Monday and Tuesday. A two-thirds vote is required to have the amendments passed.

To be able to vote intelligently, Miss June Handley, dean of women, is urging every student to read the proposed changes posted under glass on the bulletin board.

Underlined words and sentences in the proposed constitution are being incorporated; those in parenthesis are being deleted, according to Claude Ponting, constitutional revision committee chairman.

As revised, the constitution would have the president, secretary, sophomore class representative, sophomore class president, rallies and assemblies commissioner, and student store commissioner elected during the spring semester.

During the fall semester the vice-president, social activities commissioner, freshman class representative, freshman class president, Associated Men Students president and Associated Women Students president would be elected.

The head yell leader would be chosen in the fall by a committee appointed by the student body president.

## Teacher Given Scholarship

Mr. Craig Townsend, Hartnell chemistry teacher, was recently awarded a scholarship by the National Science foundation to study at Montana state college this summer.

The scholarship will pay his expenses to and from Montana for the fifth annual chemistry institute, Rocky Mountain branch.

The institute will begin on July 21 and last until August 27. The purpose of the institute is to improve the methods of teaching college chemistry, and to bring teachers up to date.

## June Date Seen For Bid Opening On New Library

Bids for the new Hartnell college library may be opened in June, Vice-President Stuart Dufour said this week. Estimated cost of the building is \$400,000.

The architect took the plans to the state division of architecture in San Francisco this week for final approval.

## Buck Up! Life's O.K.

By DEMETRIA DA-ATON

"Why do I have to have a sport?" You ask yourself sometimes as if indulgence in one is such a waste of time. It's not a waste of time at all.

Knowing a game or two, like baseball or tennis, means a good deal of pleasure. Besides that, when you develop athletic skill in your early teens, you give yourself a head start: you learn while you're still growing and you develop coordination, muscular strength, and bodily endurance just at the time when it is physically best for you.

Sports also help you win friends, and because of games, you have lots of fun. It is so much easier to have a good time with friends when you are sports-minded.

The increasing number of North American tourists with little or no knowledge of Spanish visiting Puerto Rico has prompted the department of tourists to request a San Juan furniture store to change its window display. The window contained a selection of comfortable beds with a sign: "SIN PRONTO."

Many of the visitors failed to understand that this is a Spanish colloquialism for "no down payment."

## Problems of Youth Topic of Discussion

"Problems of Youth Today" was the subject of a panel discussion held in the Hartnell college student lounge April 8.

Dr. Lionel Olsen was the moderator. Panel members were John C. Kelly, probation department director; Capt. Herbert Robertson, city juvenile officer; Ernest Morretton, superintendent of juvenile hall; Rabbi Abraham Haselkorn, and Mrs. Charlotte Wilbur of the Monterey county mental health advisory committee.

## Editor Ailing

Lynne Garcia, Panther Sentinel editor, recently had an appendectomy and was unable to attend college for a week.

She will be back in class by the time the paper is out on Friday.

## INTERCOLLEGE INFORMER

## Why Wyatt Earps!

By JACK SANDY

Los Angeles City College Collegian

The scene for this week's story is way out. Way out west in Dodge City. If we look hard enough we can see the town jail. Inside sits the terror of all the badmen, the marshal of Dodge City, Mat Drip, and on his lap is the dance hall queen, Kitty Kat.

They are "pitching woo," while over in a far corner sits the marshal's best friend, Chester Sadfoot, who is busy scratching a bad case of poison oak.

Chester stops scratching and says, "Mr. Drip, cun I see ya fer a minute?" Mat stops wooing Kitty and replies, "Shut up, Chester, I ain't talking while the flavor lasts." Chester looks hurt and answers, "All I want is an aspirin!" Kitty turns to Chester and says, "Chester, do you know that Bufferin rides into your bloodstream twice as fast as aspirin?"

Chester looks at Kitty, whose face is green from chewing chlorophyll gum with retysn, and says, "Kitty, your face is green from chewing chlorophyll gum." "With retysn," adds Kitty as she walks out of the room.

Chester turns to Mat and asks, "Just what do you see in Kitty?" After pondering the question for awhile, Mat replies, "I like Kitty because she knows she is the very air I breathe, and uses spray deodorant every day."

The door flies open and in walks Wyatt, who apparently has been earping. "What's the trouble?" asks Mat. "Oh, I just can't beat the nicotine habit," answers Wyatt.

"I know just what you need," answers Mat as they walk towards the general store.

After all, five leading New York doctors can't be wrong . . . can they

Remember, it happened that way—movin' West.

## Newsletter Acquaints Seniors With Hartnell

A newsletter to high school seniors will be introduced by Hartnell college this month, according to Mr. George Abbott, public relations director. The letter will give information on changes in curriculum, ath-

letics, drama, music and other matters of interest to high school seniors who may wish to enter Hartnell next fall.

The purpose of these letters is to acquaint the prospective Hartnell student with the college, Mr. Abbott said.

The present plan is to send newsletters four times during the college year to high schools in the Hartnell district and in adjoining districts which send students to Hartnell.

The letters will be prepared by the publicity department at Hartnell. The idea was suggested by Mr. Abbott and approved by the administrators and the board of trustees.

## PLAY CAST . . .

(Continued From Page 1)

abeth Everton, and the "Ladies for Democratic Action," Jeanette Kirk, Kiki Morimoto, Ruth Eldred, Janet Schwefel, Charlotte Krebs, Nancy Hickenlooper and Chayla McKay.

Others are "Mr. Hokaida," Eugene Morgan; "Mr. Sieko," Stanley Wood; old woman, Donna Ponting; old woman's daughter, Ruth Eldred; daughter's children, Mary Ellen Bowlin, and two girls will be named later. Several other male parts have not been filled.

The production staff for the play is stage manager, Robert Smith; assistant stage manager, Eugene Morgan; property managers, Edith McGowan, Laurie Parsh, Joan Blacklock and Miss Kirk; house manager, Miss Parsh; posters, Janice Baird; positions of prompter, wardrobe

## VETS SPONSOR . . .

(Continued from Page 1) members will be charged 35 cents.

The dance will be informal. Men should wear slacks or Ivy leagues, but not levis or blue jeans. The women should wear dresses or skirts and sweaters.

## Special Music Planned

Musics will be provided by records, and entertainment will be furnished by Carol Ann Stewart, accompanied by Terrie La Macchia, who will also entertain with two songs. Jim Dillingham will again donate his services, according to Jay Repsher, publicity manager.

Repsher is also planning on other entertainment, which may include movie actor and vaudeville star, Harold Hackett; a dance team from Fred Astaire studios, and a guest appearance of Lord Luther who recorded "Teen-age Creature" and "Turn the Key."

Repsher encourages all veterans at Hartnell to join the Veterans club. Dues are 50 cents a semester. At present there aren't enough members to make the vets club one of the greatest in Hartnell history, Repsher said.

mistress, makeup chairman, publicity chairman and ticket chairman are still open.

## Business Courses Attract Students

By NANCY SUURBALLE

The business department of Hartnell college serves three purposes, according to Mr. Claude Addison. It serves the vocational student who terminates his college education at Hartnell; it provides the transfer courses needed for business education and business administration majors, and provides students with general business knowledge.

Between 20 and 25 per cent of the total number of students enrolled at Hartnell major in business, and many more majors take elective courses in business.

Most of the courses offered are for terminal students. The business department also has a work experience program and is, according to Mr. Addison, more highly developed in Hartnell than in most junior colleges.

Many of the local young business men are graduates of Hartnell, Mr. Addison said.

### Held Many Positions

Mr. Addison, who has been on the Hartnell faculty since 1937, has held the positions of instructor, department chairman, comptroller and dean of occupational division.

He received his BBA and MBA from the University of Oregon and also studied during the summers at the University of California. Before coming to Hartnell, he taught in a business college in Spokane and in the Four C's college in Fresno, and at San Jose State summer sessions.

He is married and has three sons: Richard, Douglas and Kent. He was born in Manchester, Ia.

### Formerly Taught at Modesto

Mr. Larry Newton joined the Hartnell faculty in 1956. He had previously been teaching at San Francisco State college and Modesto high school. Before becoming a teacher, he worked for the Southern Pacific railroad and served in the navy. He was also planning assistant for Modesto during the summers.

He was born in Moberg, S.D. He received his AB from the University of Minnesota and his MA from the University of California.

He is married and has two children.

### Wife Also Teaches

Mr. James Stark has been teaching at Hartnell since 1950. He taught at Salinas union high

school and was awarded a teaching fellowship to the University of Southern California.

He was born in Missouri and attended the University of Southern California where he received his BS and MS degrees. He also studied at the Central Missouri state college.

His wife is a teacher at Santa Lucia school in Salinas. They have two boys.

### Organized Placement Bureau

Mrs. Anne Harper has taught at Hartnell since 1937 except during the war when she lived in San Francisco. During the time she lived in San Francisco, she taught at Letterman hospital and at Treasure Island. At Hartnell she has taught mathematics, English, statistics, typing, shorthand, and was also dean of women. She organized the placement bureau.

Mrs. Harper was born in Pennsylvania, but grew up in Indiana. She attended Indiana university where she received her AB, with distinction, and her MA.

She was graduated with honors in mathematics, and to pay for some of her college expenses, she tutored the football team in mathematics. She has worked for a research organization during the summers and was awarded a teaching fellowship to the University of California for economics.

She and her husband have one son.

Miss Ruth Rothrock received her BA from the University of Oregon and her MS from the University of Southern California. She was a secretary for a San Francisco company and a teacher in Sacramento before coming to Hartnell where she teaches accounting.

Mr. G. Darwin Peavy, who teaches physical education classes, received his BS from Oregon State college and his MA from Stanford university. He has served as registrar at Hartnell and is a former advisor-manager of the students' store.

## After Four Years of Thought Hannas Built 4-Passenger Canoe

An idea that started four years ago became a reality recently in the form of a canoe after four months of "fooling around" by the Hannas, including Bill Hanna, Hartnell student from Gilroy.

The canoe, which has been in six creeks and has gone as far out into the Pacific ocean as 35 miles from Gilroy, has a maximum capacity of four people.

Its frame is made of steamed-up strip of fur bent into shape and covered with fiberglass. It is 14 feet in length with a 42-inch beam.

Its builders were Sandoe Hanna, 45, and his sons, Bill, 22; Roy, 17; and Tom, 15, of Gilroy. Sandoe is a mechanical engineer, and owns a welding shop. He is the son of Walter Hanna, Gilroy's city engineer.

Bill Hanna, a guard on the

Hartnell football team, lives with his wife, Carol, in Salinas. Both are attending Hartnell; he is majoring in engineering while she is a home economics major. Brothers Roy and Tom attend Gilroy high school.

### DELEGATES . . .

(Continued from Page 1)  
from Monterey Peninsula airport at 1:37 p.m. May 8. They will be taking the flight round trip on a tourist class rate of \$137.50.

## Divot Diggers Bow In Three Matches With League Foes

Coach Ken Blue's golfers dropped conference matches to Diablo Valley (formerly East Contra Costa junior college) and San Jose city college (formerly San Jose junior college) since the last issue of the Panther Sentinel was published.

San Jose stopped the Panthers, 12-3, April 7 at Almaden country club near San Jose, then whipped the Harts, 10-5, April 9 in Salinas.

Dan Hiura picked up two points in the first match and two and one-half points in the second, but the best score was a 79 by Ron Leonti.

The Vikings stopped Hartnell, 12-3, at Concord March 28. Leonti gained two points and Dick Smith one for the losers.

## Assembly Shows Varied Talent

A talent show assembly sponsored by the student body was held recently in the Men's gymnasium.

The participants were the modern dancing students, Diane Dorey, Diane Stone, Diane Collier, Erica Rossi, Charlotte Canada and Barbara Alinio.

Miss Canada danced a solo. The modern dancing class is under the direction of Mrs. Dorothy Middaugh.

Carol Anne Stewart, accompanied by Connie Olivete on the piano, sang "That's Why I Was Born" and "A Very Special Love," followed by an "Hawaiian cha-cha" by Miss Alinio.

### Mr. Peavy Performs

The gymnastics class under Mr. G. Darwin Peavy performed some exercises to develop and train the muscles. The group in-

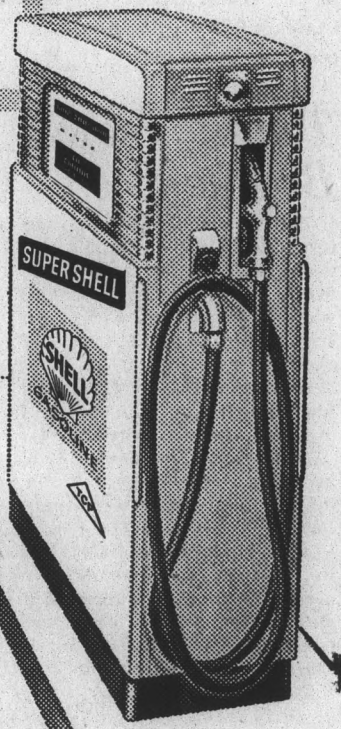

cluded Gary Harris, Robert Sakata, Miss Canada, Carol Pedrazzi and David Sattree.

Terrie La Macchia sang "One Hot Summer" and "Let's Fall in Love," preceded by Staten Johnston who sang "The Twelfth of Never," "Till," and "He's Got the Whole World in His Hands." He was accompanied by Miss Olivete.

The choir, which is under the direction of Mr. Vahe Aslanian, concluded the assembly with the popular songs: "Around the World," "Tammy," and "Marching to Pretoria."

"Get rid of Spark Plug 'Miss'—  
greatest cause of power loss.  
Put your car next to the  
New White Pump"

TCP  
adds  
Anti-Miss  
to  
anti-knock

WHY SETTLE for "part-time" performance from your car? Why put up with lazy power on hills, on get-aways? Instead, drive up to the new white pump at your Shell Dealer's and fill up with Super Shell with TCP\*. TCP adds anti-miss to anti-knock.

Spark plug "miss" is the greatest cause of power loss today! It can rob you of 20 to 30 horsepower.

This "miss" is caused by harmful deposits that short-circuit the spark plugs—keep them from firing the fuel charge. But TCP additive neutralizes these deposits, stops misfiring and restores lost horsepower.

And don't forget that new Super Shell contains aviation fuel ingredients that give it higher octane for anti-knock—extra energy for better mileage.

So with anti-miss, anti-knock, and better mileage, too—doesn't it make sense to get Super Shell.

\* Shell's Trademark for this unique gasoline additive developed by Shell Research.

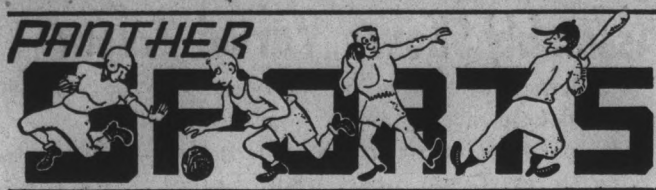

Totally New

Super Shell with TCP

The most powerful gasoline any car can use—Plus TCP for Anti-Miss

WAYNE UMBERTIS • SPORTS EDITOR

## Unbeaten Panther Track Team Routs Monterey and Menlo

Keeping their unbeaten record intact, the Hartnell cindermen swamped Monterey and Menlo last Saturday. Hartnell scored 89 points to Monterey's 33 and Menlo's 32.

Don McDowell showed up well for the Panthers by grabbing three blue ribbons. He took first in both sprints and the broad jump. Other outstanding performers were Ivan Hartsell and Ron Ross. They were top men in their favorite events, the pole vault and the high jump, respectively.

The Panthers completely dominated the field events, taking first places in every one. They scored the day's only sweep when they captured every point in the discus. Jim Stireman's heave of 129 feet 8 inches was good for first place.

## Tennis Team Breaks Even

The Panther tennis squad registered a 2-2 mark over the past two weeks, beating Vallejo and MPC by 4-1 and 5-2 margins while bowing twice to San Jose city college by identical 4-3 scores.

Hartnell swept Vallejo in the first four singles but dropped the fifth. Panther winners were Tom Gomez, Larry Smith, Stewart Liem and Ralph Winter. The doubles matches were rained out.

The locals bested MPC 4-1 in the singles matches but evened it in the doubles. Singles winners for the locals were Gomez, Liem, Winter and Nab Harris. The Smith-Liem combination won the doubles.

## Harts Capture Two Contests In Practice Tilts

The Panther diamondmen came through with two pre-league wins, downing the Soledad prisoners, 7-5, at Soledad and the San Jose State Frosh, 5-1, at the Hartnell diamond March 29 and April 8.

The Soledad nine opened the game with a 1-0 first inning lead. The locals retaliated in the third and fourth frames with two runs each to lead 4-1. One run each in the fifth, sixth and eighth proved to be the insurance and winning scores for the locals.

Hartnell collected five hits on Merle Young's two hits and doubles by Nelson Foreman and Allen Jones. Bob Beretta and Foreman pitched the locals to the win.

The Panther-San Jose tussle was scoreless until the sixth when both teams scored one each. The locals added four runs in the seventh to bag the win.

## Vikings Dump Panthers Twice

Mount Diablo college took a doubleheader from the Hartnell Panthers Saturday, 8-6 and 4-1. In sweeping both games, they kept the Harts winless in league competition.

The Vikings overcame a six-run lead in the sixth inning to win the opener.

Bob Beretta was given the loss in his relief role. He took over for Bill Beretta in the seventh and was replaced by Nelson Foreman in the eighth.

Hal Turner pitched a fine six hitter in the second game but dropped the decision when three Viking runs crossed the plate in the fifth frame.

Bill Beretta, Nick Scurich and Wayne Ketchum paced the Panthers at the plate with two hits apiece.

## Sport Slants

By WAYNE UMBERTIS

Head Coach William Abbey will be absent from the Coast conference football scene as he has accepted the position of chairman of physical education, health and athletics at Foothill college, near Palo Alto.

The Monterey mentor had brought the MPC Lobos into prominence in the pigskin picture. His teams defeated Hartnell two years running and had one of their better years in league play last year.

Abbey's recruiting machine brought numerous ex-GFs to the Lobo campus. They stamped MPC as a football power. Probably much of the success the Lobo teams have experienced this year is due to the work of Abbey. However, he had become a thorn in Hartnell's side and I'm sure no tears will be shed here over his departure.

Also missing from Coast conference activities next year will be East Contra Costa and San Jose J.C. They both have assumed new names and will campaign under the new titles of Diablo Valley college and San Jose city college.

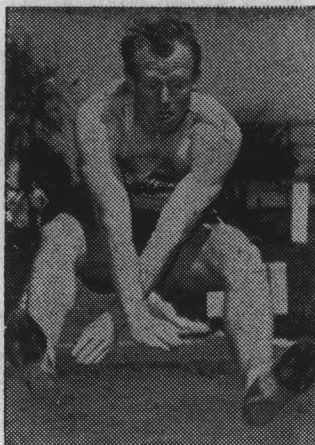

## GREEN'S CAMERA SHOP

350 Main St., Salinas

## Panthers Face MPC and SJCC In Tri-Meet

The powerful Panther tracksters travel to Monterey tomorrow to tangle with San Jose city college and MPC. Coach G. Ed Adams' men should have little trouble disposing of both colleges.

The Panther field crew is far above anything in the conference, and the runners are improving with every meet. Don McDowell was a double winner in the sprints last week end. He grabbed firsts in both the 100 and the 220. Bob Cabanyog

DON McDOWELL

went over the hurdles to take another blue ribbon for the Harts.

Ivan Hartsell in the pole vault and Ron Ross and Roger King in the high jump seem to have run out of competition as far as the conference is concerned.

San Jose was expected to be one of the teams with a chance to unseat Hartnell as league champions, but it is now apparent that no team in the league is capable of that.

The Harts should romp tomorrow.

## Elliot's Team Leads League

By virtue of the two points for a win, one point for a tie, and no points for a loss system, Charles Elliott's nine is leading with a 4-0 mark in the six-team intramural softball.

The teams captained by Kay Bourgerie and Don Bonino are in second and third positions with 3-2 and 2-1 records.

Sharing the cellar spot, Diane Ross, William Juster and Dion Smedley and their charges trail with 1-2, 1-3 and 1-4 margins.

## Netmen Beaten

San Jose city college proved too much for the Hartnell tennis team. Liem and Winter won their singles, and Liem and Smith teamed up to win their doubles for Hartnell April 8.

Liem and Winter again were the Hartnell singles winners in return matches April 12.

# Vallejo Nine Visits Harts Tomorrow

In search of their first win in conference play, the Hartnell Panthers host Vallejo tomorrow. The first game of the day's twin bill will start at 12:30 p.m.

The Panthers were dumped twice last week end by

## Hartnell Women Attended Meeting

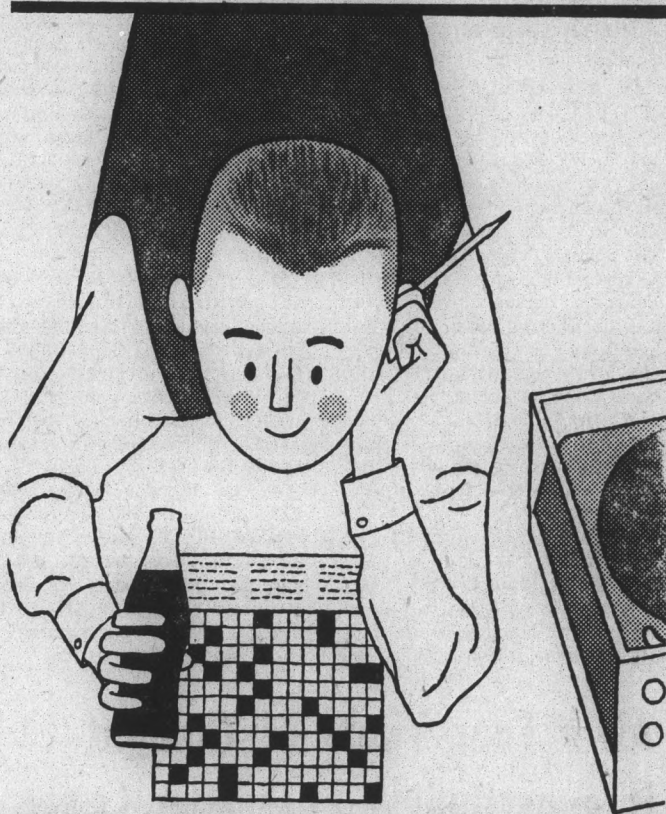

Kay Bourgerie, president of Hartnell's WAA, Susan Cassady, secretary; Ethel Boutte, representative; Loretta Phelps, basketball manager; Mrs. Jack Midgough, advisor, and Donna Merlotti attended the WAA conference at Asilomar recently.

Evelyn Schilling, director of the California Youth Authority, was one of the speakers at the Saturday night banquet. Over 300 women from 48 colleges and junior colleges were present. Hartnell was one of the colleges serving on the executive council committee.

## White Joins Up

Gene White, Hartnell half-back, was recruited for the marine corps platoon leader class recently, according to Major L. L. Bjarnason, marine reserve recruiting officer.

White must stay in college and graduate before being commissioned a second lieutenant.

## Know the answer?

What's an eight-letter word which reminds you of good taste, sparkle, lift? The answer's easy—Coca-Cola of course. No puzzle about why it's so popular . . . no other sparkling drink gives you so much good taste, so much satisfaction. Yes, when you're looking for refreshment, the answer's always Coke!

SIGN OF GOOD TASTE

Bottled under authority of The Coca-Cola Company by  
THE COCA-COLA BOTTLING CO. OF SALINAS
